

Prisma Health Treasury department leadership team update

From Larry Gosnell, senior vice president and treasurer, Prisma Health

I am pleased to announce that several current team members have been promoted to leadership roles within the Prisma Health Treasury department.

Randy Erkens has been named director of insurance and capital finance for Prisma Health. In his new role, Randy is responsible for the administration, structuring and management of property and casualty insurance programs, as well as equipment and real estate finance for Prisma Health. Randy joined Prisma Health–Upstate in 2009 and has served as the manager of insurance and corporate finance since 2012. He earned a bachelor’s degree in financial management from Bob Jones University and holds the associate in risk management (ARM) and certified professional in healthcare risk management (CPHRM) designations.

Karen Konopka has been named director of banking operations for Prisma Health. In her new role, Karen is responsible for the administration, structuring and monitoring of all banking, cash management and merchant card service programs for Prisma Health. Karen joined Prisma Health–Upstate in 2012 as manager of banking operations. She earned a bachelor’s degree in business management and economics from Ripon College and a master’s degree in business administration from Marquette University. Karen holds the certified cash manager (CCM) designation.

Lee Morgan has been named director of investments for Prisma Health. In his new role, Lee is responsible for administration, monitoring and reporting for all investment management programs, as well as debt compliance and pension finance activities for Prisma Health. Lee joined Prisma Health–Upstate in 2017 as senior treasury analyst for investments and debt. He earned a bachelor’s degree in political science from Bates College and a master’s degree in business administration from the University of Cincinnati.

These team members have been instrumental in the successful integration of our insurance, banking and investment management programs, as well as the refinancing of our debt. Please join me in congratulating them as they begin their new roles.
