

Get everything you need for summer with Purchasing Power

Need patio furniture, a grill, hammock, lawn mower or other summer essentials? Purchasing Power has you covered.

Purchasing Power is a program that makes it easy to get the products you need, when you need them and pay for them over time, directly from your paycheck. This new benefit allows team members to shop from thousands of brand-name products online. Payments are made from regular deductions taken directly from your paycheck over 26 pay periods. Fixed payments, no credit check and no hidden fees.
