#### **Update on President and CEO Mark O’Halla’s introduction**

Last week, President and CEO Mark O’Halla wrapped up his introductory tour of Prisma Health. He began his introduction to the organization with leaders from across the organization in a meeting Wednesday, July 31. Mr. O’Halla shared his view of health care and the opportunities that all care givers have to meet the challenges of a rapidly changing and expanding health care industry. His emphasis: The patient comes first. “We are in the people business”, he reminded leaders, “and our people are our greatest asset.”

He was engaged with team members and physicians during his visits to hospitals, physician practices and across the organization. He was particularly interested in hearing where they see Prisma Health now and how they would like to see us move forward.
